## *Dear Church Family-*

In the last eight weeks, the world has changed. Every aspect of our lives has been touched by the pandemic that we are facing. We have adopted new ways of living, and adapted to the new reality that we face. Even if we have not contracted the virus, even if we have not lost our job, even if we have not personally been affected by the virus itself, we have been touched by it in ways that we will long remember.

Our church life is no different. Everything that we do is at least a little different now. We no longer gather in our building for worship and fellowship, but on Facebook Live. Meetings aren't held in the Library or Zeckhausen Room, but on Zoom and over email. Lines of cars snake through the parking lot so that we can collect food and toiletries, masks and cards. We have mourned the loss of loved ones from a distance, and discovered new ways to celebrate the joys that ease the pain of isolation.

I have recently taken to saying, "Our building is closed. Our church is still active." It has been important to me -- and, I believe, to all of you -- that our church continues to be a sign of hope and agent of welcome and love in this new reality. The virus challenges our understanding of those very concepts: hope, welcome and love. But we have risen to those challenges, and offered our best even as we face the worst.

We do not lose hope in these times because we have faith in God's presence with us, especially when things are difficult. That faith allows us to bring hope to others, to bring light into the darkness. We share the welcome that we have received from God with those around us, sharing not only words of encouragement but acts of generosity and kindness, that build up community and strengthen the bonds between us.

We show our love for one another in unexpected ways, by wearing masks and remaining physically distant, by staying home and checking in. This would not have seemed like love three months ago. But we have learned much in that time: how to keep our community safe; how to keep our community connected; how to keep our faith alive.

We have learned, and we are still learning. We have adapted, and we will continue to adapt. We have been the church and we will continue to be the church. We have been blessed, and we will continue to share our blessings with all God's children.

Peace,

*Pastor Chip*

# A Note from Rev. Paul

***“We will work with each other, we will work side by side;  
We will work with each other, we will work side by side;  
And we’ll guard human dignity and save human pride.”***

In various times of my life, I have been able to experience community, either as a participant or an observer. It has been interesting to study the dynamics of how a group is formed, how the bonds have been made, and how people interact. I have always dabbled in this aspect of Sociology, especially as I lived in different parts of the country as an adult.

People in geographically separate areas have various cultural differences and ways of interacting with one another. However, one trait that remained consistent was the fact that Christian communities exhibited the same hallmarks: they worshipped together, they cared for one another, and they came together in times of crisis. These observations have not been lost on me, particularly in the past 49 (at this writing) days of dealing with outbreak of COVID-19 in Massachusetts.

The response of the Christian community of Wilbraham United Church should not come as a surprise to me. I have been a member of this community for over ten years and have had the pleasure of serving in various capacities for over five years. The way in which all of us have reacted to the challenges brought forth in a Stay-at-home Advisory and closure on non-essential businesses has been so heart-warming. What have we done? We have showed time and again that Wilbraham United Church is truly the heart of the community.

- \* We have been able to spread the Good News of Jesus on Facebook Live and our website. The efforts of our community to share posts have allowed thousands to worship with us hear about what we do to spread the Gospel here in Wilbraham and in surrounding communities.
- \* We have donated, collected and distributed three truck-loads of groceries and toiletries to those in need.
- \* We organized and made hundreds of facemasks for those who would otherwise go without.
- \* We gathered other PPE that we were able to donate to hospitals and care facilities in the area.
- \* People of all ages made cards and letters for patients at Baystate Medical Center who must go without seeing loved ones as they recover.
- \* We’ve made phone calls, driveway visits, grocery runs and pharmacy trips for those who either couldn’t or were too at risk to be in public.

We only knew that someone was in need and that we must answer the call to care for those less fortunate. Even in our own homes or in the parking lot from our own cars, we worked side by side to guard human dignity and save human pride. We continue to answer our call as Christians to love our neighbor. I am so very proud and blessed to serve the community of Wilbraham United Church.

I miss seeing you in person but feel your love and prayers each and every day.

***“And they’ll know we are Christians by our love, by our love;  
Yes, they’ll know we are Christians by our love.”***

***Peace,  
Rev. Paul***

Dear Rev. Paul Nesbit:

*A drive-thru food drive is very clever and a great way to keep everyone safe. Thanks so much to you and your friend Larry for standing out in the rain to collect all that food. Thanks for driving it over to the Center and unloading it for us.*

*That is so wonderful of you; thanks for helping to stock the Pantry shelves. Your drive collected and donated 695 lbs. of food along with \$90 in financial donations. Thank you for all your hard work to help feed area people in need. I am so grateful to live and work in such a generous and supportive community.*

*The Pantry is open on Tuesdays and Thursdays from 9:30 till 3:00 and clients are served outside. We are doing our best to minimize contact and maintain social distancing.*

*The Center's Emergency Pantry provides bagged groceries, up to six times a year, to low-income households from Ludlow, Wilbraham, and Hampden, as well as from the Indian Orchard, Sixteen Acres, and Pine Point areas of Springfield. Senior clients may reside anywhere in Hampden County and visit the Pantry each month. Families enrolled in the Preschool Program also visit the Pantry every month to collect 20 breakfast, lunch, and snack items for their children who are not yet enrolled in school.*

*The mission of the Community Survival Center is to provide survival items of food, clothing, and household goods to members of our community in times of need. Our programs are self-sustaining through the support of the community, wonderful people like you.*

# Outreach

Are you looking for another way to serve your church,  
God, and community?

## Consider supporting Loaves and Fishes!

**Every third Thursday of the month at 11 am** volunteers from this worthwhile ministry gather to deliver dinners and desserts to the South Congregational church in Springfield. Stuart Johnsen makes casseroles while additional volunteers make cakes and transport the food. In usual circumstances, the food is served by members of this mission to those in the community who are underserved and unhoused. Currently due to the Coronavirus pandemic, our volunteers are not serving the food.

Please contact Judy Hoffman if you are interested in baking or Nancy Peck to assist with transporting food.

**In March WUC donated from the Outreach Endowment:  
\$1000 to Church World Service for tornado relief in Tenn.  
\$1000 to the Survival Center in Indian Orchard.**

**\$1000 to Western Mass. Food Bank.**

**In March only \$120 was donated by WUC for One Great Hour of Sharing.**

**Stay well. Thanks, Ruth Karlson**

# VBC Updates

Dear Friends,

As we are well aware, the health crisis presented by COVID-19 has caused many life changes and cancellations. Unfortunately, Vacation Bible Camp this year is going to be one of them. Our VBC program had 154 participants and over 130 volunteers. This meant that at any given moment, we had 240-250 people on the grounds and in the building. We cannot guarantee physical or social distancing during this program.

It is very sad to have to cancel VBC 2020; we hope to see every once back for VBC 2021!! Please be assured of our prayers for your good health and safety.

Peace,  
Paul

# Shopping Card Program

Dear Church Family,

I hope you are all healthy and staying safe during this time of uncertainty. As we continue to social distance and fill our cupboards, please keep our gift card program in mind. This is one way we can keep contributing to our church while shopping for grocery and other essentials (gas and pharmacy, for example, as well as Amazon). As the nice weather of spring is approaching, maybe you'll be outside working on some projects (I have Lowes, Home Depot and Walmart cards available).

Please contact me at [cdstiefel@gmail.com](mailto:cdstiefel@gmail.com) or 413/949-1057 (text or call) to arrange pick up or delivery of cards from a healthy household, of course respecting social distance. I am happy to accommodate your requests. And now may be a good time to check out online ordering at [www.shopwithscrip.com](http://www.shopwithscrip.com). The easiest way is to let me know you're interested and I can send you a link to set up an account. Please don't hesitate to be in touch with your gift card needs and questions.

Thanks,  
Connie Stiefel
